MEMORANDUM

TO: Village Board

FROM: Natalie Crown, Community Development Planner

THROUGH: Kurtis Pozsgay, Community Development Director;
Carie Anne Ergo, Village Administrator

DATE: February 3, 2026

SUBJECT: Annexation Agreement and Annexation for 19W076 Granville Avenue

RECOMMENDED MOTIONS: Move to Continue to the February 17, 2026 Village Board meeting.

UPDATED SUMMARY:

The Village Board previously continued the case after initial review at the December 2, 2025 Board meeting. The Board wasn't satisfied with the requests for side yard setback and front yard fence variations and asked staff to work with the applicant to find alternative solutions. Staff and the applicant's consultant team have met several times since and believe there is a path forward that will satisfy all parties involved. The applicant is requesting more time to put the new plans together. After reviewing with legal, this request satisfies Village code 14.10.7.c:

- c. If an application or a proposed amendment is not acted upon finally by the Village Board within (90) days of the date the Board receives the Plan Commission's recommendations, and such time is not extended by mutual consent of the Village Board and petitioner, it shall be deemed to have been denied.

INTRODUCTION

The agreement is in reference to the property at 19W076 Granville Ave. The property is currently located in DuPage County and is owned by the Chicago Title Land Trust Company. The current property has one existing home on the lot, which will be torn down to allow for the development of the new single-family home. The existing home is in a state of disrepair.

The applicant proposes to annex the property into the Village, with variances, to allow the development of the proposed single-family home with accessory structures. The proposed home is a two-story single-family residence with an attached garage. In the rear of the property, a cabana, pool, patio, and sport court are proposed. The proposal also includes a U-shaped driveway that extends along the east side-yard of the property.

DISCUSSION

The lot will be zoned R-1 Single Family Residence District upon annexation into the Village. The lot is .91 acres with 100 ft. of frontage along Granville Avenue. The rear of the lot backs up to a Tollway-owned property with no current or planned development on it. The Tollway property has frontage on Thorndale Avenue, which serves as a one-way exit ramp for IL 390.

The approval of the following variances with conditions are a condition of the annexation agreement:

1. Variance to Sec. 7.04.9 to permit an increase of the maximum lot coverage from 40% to 46.5%.
2. Variance to Sec. 4.13.4.d to permit an increase of the maximum accessory structure square footage from 864 square feet to 1,775 square feet.
3. Variance to Sec. 4.20.4.d and 7.04.5.a to permit a reduction in the front yard setback for fences to permit a fence with an 8-foot front yard setback.
4. Variance to Sec. 7.04.5.b to permit a reduction of the minimum side yard setback from 8 feet to 6 feet.
5. Variance to Sec. 7.04.5.b to permit a reduction of the minimum combined side yard setback from 20 feet to 6 feet.
6. Variance to Sec. 12.03.7 to allow two driveways.
7. Variance to Sec. 12.03.7 to allow a driveway within 5 feet of the interior property line.

Variances subject to the following conditions:

1. 1.25 times the amount of stormwater volume be provided for the 6.5% of additional lot coverage being permitted.
2. Driveway width may not exceed 24 feet at the property line.
3. A landscape plan is provided and approved at permitting by the Village.
4. A stormwater management plan following the Village Engineer's recommendations is provided and approved at permitting.

The property does not have a private well or private septic system. The property owner will follow all procedures and requirements to tie into the Village of Itasca water and sewer systems and retain water connections to DuPage County for landscaping purposes as permitted by the Itasca Code.

Per 65 ILCS 5/11-15, the State of Illinois requires that a Notice of Public Hearing be published in a local newspaper not more than 30 days nor less than 15 days before the hearing date. The Public Hearing will take place on Tuesday, December 2, 2025 and was published in the Daily Herald on November 14, 2025.

FISCAL IMPACT

The annexation would increase the property tax base for the Village, and additional taxable value is anticipated, dependent on the future submittal and approval of future development.

AFTER ACTION STEPS

After approval, the board will vote to approve the requested variances. If the variances are not approved, the Village will be in breach of the annexation agreement, and the annexation will be invalid.

STAFF RECOMMENDATION

Staff recommend the annexation agreement and annexation be forwarded to board for Village Board on February 17, 2026 for First Reading with final approval of Ordinance 2161-25 on March 3, 2026.

The final ordinance must be passed by a vote of two-thirds of the corporate authorities holding office; thus five current Board members must vote to approve for the annexation to pass.

A. Subject to the provisions of the VILLAGE Zoning and Subdivision Ordinances, within five (5) days after request by OWNER for a final inspection of a building within the development, the VILLAGE shall issue a final certificate of occupancy for such building or shall issue a letter of denial of a certificate of occupancy identifying the corrections necessary as a condition to issuance of a certificate of occupancy and specifying the section of the Building Code relied on by the VILLAGE in its request for correction.
