MEMORANDUM

TO: Carie Anne Ergo, Village Administrator
FROM: Michael Subers, Public Works Director
DATE: January 30, 2026
SUBJECT: Approving the Purchase of Two Police Vehicles from Currie Motors Fleet through the Suburban Purchasing Cooperative and Upfitting in an Amount up to \$105,000

RECOMMENDED MOTION: Move to Waive Second Reading and Take Final Action on Approving the Purchase of Two Police Vehicles from Currie Motors Fleet through the Suburban Purchasing Cooperative and Upfitting in an Amount up to \$105,000.

INTRODUCTION

Public Works has been informed by Suburban Purchasing Cooperative (SPC) and Currie Motors that the manufacturer may cut off orders for the 2026 Ford Interceptor due to retooling for the 2027 models. After the cutoff date, only 2027 Interceptor models will be available at an increased cost, and there is a potential that hybrid models may be the only offer for a period. To have the best chance of receiving a 2026 model, Public Works is requesting approval to purchase the vehicles proposed in the Fiscal Year 2027 (FY27) Fleet Replacement Plan (CIP# PW-18-014) from Currie Motors, which has been awarded the purchasing contract through SPC.

DISCUSSION

The Suburban Purchasing Cooperative is a joint purchasing program sponsored by the Northwest Municipal Conference (NWMC), DuPage Mayors & Managers Conference (DMMC), South Suburban Mayors and Managers Association (SSMMA), and Will County Governmental League (WCGL). Together, those organizations represent 144 municipalities and townships in northeastern Illinois in an attempt to gain an economy of scale. Village Administrator Ergo represents DMMC on SPC's Board of Directors.

The proposed FY27 Vehicle Replacement includes the replacement of two (2) squad cars. Both vehicles were slated for replacement in FY27 during the FY26 CIP review. Below is the information regarding the vehicles to be replaced, including their replacement cost and estimated auction value.

Vehicle ID	Purpose	Year	Model	Type	Milage	Idle Hours	Engine Miles (30x)	Original Purchase Price	Estimated Auction Value
PD 10	Patrol	2022	Interceptor	Hybrid	73,824	2,215	140,274	\$ 40,160.00	\$ 10,000.00
PD 11	Patrol	2022	Interceptor	Hybrid	71,023	1,508	116,263	\$ 40,160.00	\$ 10,000.00
Replacement Vehicles									
PD 2610	Patrol	2026	Interceptor	Combustion				\$ 54,556.00	
PD 2611	Patrol	2026	Interceptor	Combustion				\$ 45,354.00	

The Police Department requested that the proposed PD 2610 patrol car be upfitted with special equipment to assist officers when using and transporting the drone equipment at an additional cost of \$9,000. The system includes a built-in storage compartment with integrated charging and a storable television, which allows the drone to be quickly deployed.

The proposed police patrol vehicle, PD 2611, does not require significant upfitting costs since the equipment from PD 11 will be a direct fit for the replacement vehicle and will be installed by Public Works staff.

FISCAL IMPACT

Public Works has a proposed budget of \$167,000 for the purchase of the two police vehicles and the replacement of one pickup truck. The proposed amount of up to \$105,000 provides a purchasing contingency of approximately 5% above the estimated cost of \$99,910, in case we do not receive a 2026 model and need to purchase a 2027 model due to production issues. With the purchase of the two patrol cars, the remainder of \$67,090 will remain in the proposed FY27 budget to purchase the proposed Public Works pickup. Payment for the vehicles is due upon delivery and will not occur until FY27.

STAFF RECOMMENDATION

Staff recommend the item be forwarded to the Village Board First Reading on February 3, 2026, for consideration and approval.

Subject: Suburban Purchasing Cooperative (SPC) Update - January 26, 2026

DMMC members:

Please see an update from the SPC below. Click [here](#) for more information and to view the current catalog.

SPC Vehicle Forecast – Cloudy with a Good Chance of Turbulence – Order Now!

Please be advised that supply chain issues are becoming the norm again for vehicle production, so don't get frozen out! As previously reported, the SPC has been notified, without advance notice, that Ford's factory order cut-off date for the 2026 Ford Expedition (Contract #233) was Friday, January 16, and they will not accept new orders until the 2027 model year order bank is open.

The SPC has also learned that although the factory order cut-off date for the Ford Police Interceptor Utility (Contract #204) has not been released, it could also occur without notice, as demand and production constraints are increasing for the product line. The same is true for the Ford Explorer (Contract #231). In addition, the 2027 Utility vehicle order bank will not open until late summer, potentially with only the hybrid motor option offered at start-up.

2026 Utilities ordered today will not arrive until after May 1, so place your orders now! Currie Motors will accept preorders prior to receipt of formal purchase orders, but they need the preorders now. Once the 2027 Utility/Explorer specifications and pricing are released, Currie will provide order forms.

To order or for additional information, please contact Currie Motors Fleet Manager Tom Sullivan, 815-464-9200 or tsullivan@curriemotors.com, or Commercial Accounts Sales Manager Nic Cortellini, 815-464-9200, 224-388-0824 (mobile) or ncortellini@curriemotors.com.
