MEMORANDUM

TO: Mayor Pruyn and the Board of Trustees

FROM: Ross Hitchcock, Director of Public Works

DATE: February 7, 2019

SUBJECT: Resolution for Construction on State Highways for worked performed in 2019 & 2020

General Background

Chapter 121 of the Illinois revised statues requires that any person, firm or corporation desiring to do work on state maintained rights of way must first obtain a written permit from the Illinois department of transportation and supply a surety bond. This includes any emergency work on broker watermains or sewers. The Illinois Department of Transportation maintains control over Irving Park Road and Rohlwing Road.

To avoid posting a surety bond whenever work is performed, IDOT allows municipalities to adopt a multi-year resolution. This is a standard resolution that will cover worked performed in 2019 & 2020.
