## MEMORANDUM

To: Carie Anne Ergo, Village Administrator  
From: Ross Hitchcock, Director of Public Works *RH*  
Date: August 29, 2019  
Subject: 2019 Sidewalk Trip Hazard and Concrete Program

### Introduction

We opened bid for the 2019 Sidewalk Trip Hazard Program on August 27<sup>th</sup>, two qualified bidders participated. Davis Concrete Construction was the low bidder at \$ 11.50 per square foot, remove and replace (R&R).

### Discussion

Not knowing the exact amount of R&R each year we have a ranger of 10,000 to 30,000 square feet for bid purposes. This program also includes curb R&R and ADA tiles. The sidewalk R&R is the bulk of the program and the bases for the bid.

### Fiscal Impact

This year we have budgeted \$120,000 for this program, including engineering.

### Staff Recommendation

I recommend this item be forwarded to the Committee of the Whole meeting on September 3, 2019 for consideration and approval.

**RE: 2019 SIDEWALK AND CURB REMOVAL PROGRAM**

Dear Mr. Hitchcock:

We have reviewed the bids received August 27, 2019, at Village Hall, and find them to be as follows:

<u>Contractor</u>	<u>Bid Amount</u>
Davis Concrete Construction	\$11.50 per SF
A Lamp Concrete Contractors	\$12.50 per SF

We therefore recommend award of the contract to the low bidder, Davis Concrete Construction based on the contract unit price of \$11.50/SF for Sidewalk Removal and Replacement.

If you have any questions, please do not hesitate to contact me at your convenience.

Very truly yours,
