Re: Haymarket's proposal in Itasca

Dear Mr. Roth:

As you are aware, the potential for a new Haymarket facility at the Holiday Inn-Itasca has generated many questions and concerns from the people of Itasca. At a recent board meeting, a number of community members expressed their concerns openly and candidly. Subsequently, both at a separate meeting and a recent community event, several residents have stopped me to ask various questions about Haymarket and the proposed facility. I find myself unable to answer them as fully or completely as I would like. It is important as we move through this process that I can address the concerns of my community as completely and transparently as possible.

To that end, I am enclosing a list of questions, that will best equip me to provide information to my community. While not an exhaustive list, answers to the attached questions will provide much-needed answers to the concerns of many people in Itasca. I respectfully request that you or your client review these questions and provide answers as soon as possible.

Sincerely,

Jeff Pruy
Village President
