Summary of Nomination:

Gigi Kondracki has been a rising star since her time at Peacock Middle School, where her influence was evident from the start. As Student Council President, she demonstrated a commitment to creating a supportive and inclusive environment. Gigi spearheaded a school-wide movement to promote wellness and kindness, successfully uniting students and staff and fostering a more caring school community. Her leadership boosted student engagement and set a high standard for peer involvement.

At Lake Park High School, Gigi continued to excel, receiving the Spirit of Excellence Award and graduating with an impressive 5.0 grade point average or higher through seven semesters. Her academic success reflects her dedication and exceptional work ethic.

Gigi's impact extends beyond academics.
