## Tree Dedication Program

The Village of Itasca with the Itasca Park District has an ongoing tree dedication program to allow people to have an existing tree in the Village’s Nature Center Arboretum or in Itasca Park District parks dedicated to commemorate a special event (ex. birth, anniversary) or to honor the memory of a departed loved one. Trees are dedicated the last Saturday in April (Arbor Day) in the arboretum area. Each tree is identified with a plaque set on a post to the south side of the tree, identifying the tree species, who or what the tree is dedicated for, and who dedicated it. You will also receive a framed certificate acknowledging the tree dedication that will include all the information found on the plaque.

An existing tree in the Village’s arboretum can be dedicated for \$300.00 or an appropriate new tree for \$600.00. This will cover the cost of installing the plaque and post on the south side of the tree and the planting of a new tree if that option is selected. To dedicate a tree, you may either select a species, have the staff select the specific tree to be dedicated, or you may explore the arboretum area with a Village staff member and select the tree yourself. Once the tree has been selected, the plaque information must be filled out and submitted to **Village of Itasca, 550 W Irving Park Rd, Itasca, IL 60143** for processing. The plaque and post will be installed and formally dedicated on the following Arbor Day.

TREE DEDICATION FEE = \$600.00 for a new tree to be planted or \$300.00 for an existing tree

(cash/check/credit) Receipt # \_\_\_\_\_ Date \_\_\_\_\_

Please make check payable to: Village of Itasca
